

FELLOWSHIP PRESBYTERIAN CHURCH

SEPTEMBER 16, 2021

Hey everyone, thank you for all of your calls, texts, prayers, and well wishes over the last week. If you didn't know, I tested positive for COVID on Friday, and have been in quarantine. Thankfully, Katherine and the boys have all tested negative multiple times. But they have had to stay home from school this week. As for me, after a rough weekend I am doing great now and have no symptoms. I'm grateful for all of those who have pitched in over the last week to ensure everything at the church runs as smoothly as possible. Thank you to the Pippels for finding another preacher at the last minute for Dick's funeral service. I am sorry I was not able to be there. Thank you Jeanie for preaching on Sunday. Thank you to Jan for leading the book study this week. Lastly, I am thankful to the conference administrators who were able to transition my registration and allow me to attend my conference this week via Zoom. I hope that it will spur some new imagination for our Stewardship Season, and how we can remember to show our graciousness to God throughout the year. And again, I am thankful to each of you for how you have lifted up me and my family.

I am well aware that my illness could have been significantly worse. On the same day many of you received word that I tested positive, you received news that a member's family member died from COVID. So I want to take this opportunity to urge you and your family, if you have the ability, to get vaccinated. Get your booster shot when you are eligible. Don't forget to get your flu shot as well! Please continue to wear masks. I don't like them either, but at the end of the day your life and the lives of others are too important to not take these simple precautions.

In Christ,
A.J.

Presbyterian Disaster Assistance

PDA has setup a fund to support their efforts in helping people recover from Hurricane Ida. This storm wreaked havoc across the South and Northeast. Please keep the families of those affected in your prayers, as well as the many line workers and responders who have travelled to help restore the lives of others. You can find out more by visiting their website and giving directly through their site. <https://bit.ly/2VwEAlo>

Or, you can send your check to the church and we will send it along.

COVID PRECAUTIONS UPDATE

As you are aware COVID-19 cases numbers have risen dramatically in Leon County over the last month, and we are in the Severe Category of outbreak level. Therefore effective immediately Session has postponed all non-church group meetings inside the building until further notice. Session also decided to postpone the resumption of in-person Sunday School and Choir. We apologize for any inconvenience and confusion previous notices may have caused. We will continue to monitor the situation, and make changes when necessary. Thank you for your continued patience, love, and grace.

NEWS

The Deacons Corner

Hear ye, hear ye, to all members and Church family:

Beginning in October, we will be featuring a new, monthly column, titled “In the Spotlight.” Your deacons have compiled a list of familiar questions from which a mystery member will be contacted and asked to select four of the questions to answer. All responses will be published in the first week’s newsletter of each month.

Our mission is to more tightly weave the fabric that unites and comforts our members by providing a way to learn a wee bit more about each of us. This of course will be voluntary should you be called by a fellow deacon you may choose to accept or decline.

Our hope is that each member will use this platform for the opportunity to share a part of themselves that many may not have know before. Our hope is you will find this new ministry to be both informative and entertaining. In the event you are chosen to be featured “In the Spotlight,” may you find joy in sharing a part of yourself with others.

In His Service,

Rodney Weisman, Moderator
